

Bench-top Spectrophotometer CS-820P Introduction -for Reflectance and Transmittance

Part 1. Introduction

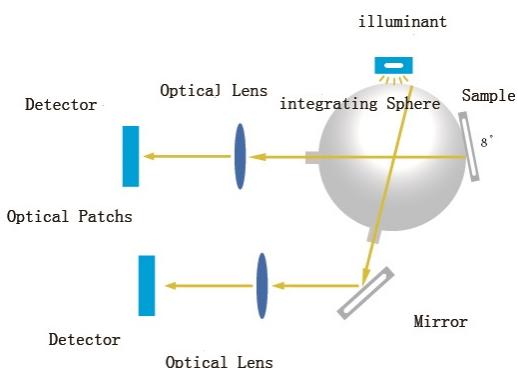

CS-820P is a smart, simple operate and high precise spectrophotometer. It adopts 7 inches touch screen, full wavelength range, Android operate system. Illumination : reflectance D/8° and transmittance D/0°(UV included / UV excluded), high accuracy for color measurement, large storage memory, PC software, because of above advantages, it is used in laboratory for color analysis and communication.

Part 2. Instrument Advantages

1). Adopts reflectance D/8° and transmittance D/0° geometry to measure both opaque and transparent materials.

2). Dual Optical Paths Spectrum Analysis Technology

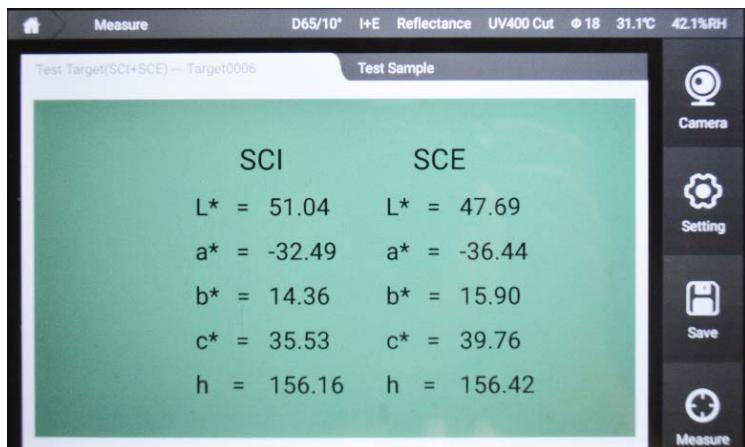

This technology can simultaneous access to both measurement and instrument internal environmental reference data to ensure instrument accuracy and long-term stability.

3). Compatible with SCI/SCE measurement, Support SCI+SCE

Measurement

Instrument adopts D/8 geometry which is highly recommends by CIE (International Commission on Illumination) to meet color measurement of different industries. It supports both SCI (specula component included) and SCE (specular component excluded) mode for better detect of color change. Fast SCI+SCE measurement, test time only need less than 4s.

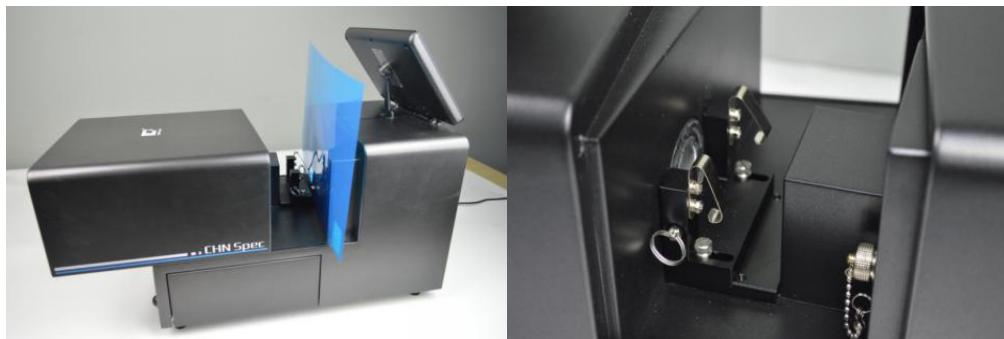

4). Rotatable Touch Screen with Android Operate System

Screen position and direction can be adjusted according to the instrument test methods.

5). Open Transmittance Measurement Area, no limit on sample size

6). Different Kinds of Accessories for simple measurement

It contains 14 kinds of standard and 12 kinds of optional accessories to measure different kinds of materials

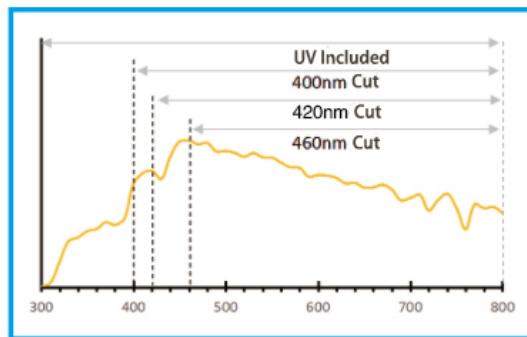

7). Accessory Drawer to Protect and Store Accessories

8). Switchable Reflectance Apertures (30mm, 18mm, 11mm and 6mm) Auto recognize, no need to adjust the lens

9). Four Kinds of UV Test Modes for Fluorescence Material Measurement

10). High resolution camera to see the measurement area clearly

11). Measurement fixture damping design, slow and natural rebound to avoid damage on sample.
